

# MAC 2025

**Microwave , Antenna and Communication 2025**  
 June 27-29, 2025, MANIT Bhopal, India

IEEE Microwave, Antenna and Communication (MAC) is a mega annual event of the Microwave, Antenna and Communication community provides a platform to researchers, working professionals, academicians and industries in these domains to showcase their state-of-the-art research/technologies to co-workers/peers. MAC 2025, the 3rd edition of this series, will be held from 27th to 29th June 2025 at MANIT Bhopal, Madhya Pradesh, India in **Offline Mode**. MAC-2025 will also feature a special track on Young Professionals, Women in Engineering and SIGHT, which will provide opportunities for networking, mentoring and career development. The conference will feature keynote speeches, invited talks, panel discussions, technical sessions, poster presentations and exhibitions. Engage in thought-provoking technical sessions, delve into recent developments, and foster collaborative discussions. MAC-2025 is an excellent opportunity for collaboration and networking with international industry/academia experts.

*Accepted & presented papers of the Conference by duly registered authors, will be submitted to IEEE Xplore Digital Library for Possible Publication.*

## CALL FOR PAPERS

Authors are invited to submit their original research work in form of technical paper (4-6 pages in length) in the following areas (but not limited to)

**Proposal  
for  
Special Session  
are also  
Invited**

### TRACKS

- Track-I: Microwave /mmWave Engineering
- Track-II: Antenna Design
- Track-III: Communication Systems
- Track-IV: Emerging Technologies

### IMPORTANT DATES

- Paper Submission Deadline - **February 28, 2025**  
 Extended Deadline - **April 06, 2025**
- Acceptance Notification - **May 01, 2025**
- Camera Ready Paper - **June 01, 2025**
